NOTICE

We hereby bring to the notice of public that some unscrupulous people have created fake versions of Engineers India Limited's corporate website (www.engineersindia.com). These fake websites viz., www.navratnaindia.com, www.nclindia.com etc. demand registration fees from candidates for applying to posts in EIL. We hereby caution the public not to fall victim to the fictitious claims of these fraudulent websites since No Fee is Payable for applying for recruitment in EIL. Recruitment of all regular employees in EIL are held by widely advertising in leading national dailies/ Employment News and details are uploaded only on the authorized and official website of EIL i.e., www.engineersindia.com. EIL does not take any responsibility for candidates responding/ applying through such fictitious websites.
