EIL signs MoU for implementation of Integrity Pact with TII

Engineers India Ltd. has entered into an MoU for implementation of Integrity Pact in EIL with Transparency International India (TII) which is the Indian Chapter of Berlin based Transparency International established to combat corruption.

The MoU was signed by Shri A K Purwaha, C&MD EIL and Shri P S Bawa, Chairman TII on November 7, 2011. On this occasion, terming this milestone as a historic event in the history of EIL, Shri A K Purwaha, C&MD, EIL has reaffirmed EIL's commitment to honesty and integrity in all its operations and responsibility as a Corporate citizen.

Integrity Pact is a tool developed by TII which ensures that all activities and transactions between Company and Departments are handled in a fair and transparent and corruption free manner. This pact entails a voluntary commitment and understanding to seek a fair way for awarding contract and business and also stipulates the consequences of violation of commitments.
